Dear Friend,

Our Cancer Survivors Day events leave an impact on all involved and we want your business to be part of these meaningful events through your support as a sponsor. Enclosed please find a detailed list of Cancer Survivors Day sponsorship opportunities.

Our mission is to ease the burden of cancer in northeastern Pennsylvania and our Cancer Survivors Day- *Honoring, Remembering, Sharing* provides community members a unique experience to share in their cancer experience.

On two crisp fall mornings this September, cancer survivors, family members, caregivers, doctors and other healthcare professionals will gather to meet others who know firsthand the impact of a cancer diagnosis. The highlight of this event will be the Circle of Survivors, which allows participants an opportunity to make a personal, inspirational statement about their cancer experience.

There will be two gatherings: one at McDade Park in Scranton on September 8th and one at Kirby Park in Wilkes-Barre on September 22nd. Both events will begin at 10 a.m. and feature the Circle of Survivors, live music, and light refreshments as well as time for attendees to have conversations and support one another.

Please feel free to contact Amanda Marchegiani, our community relations coordinator at the Cancer Institute at (570) 941-7984 or amanda.marchegiani@scranton.edu for more details. If you are interested in becoming a sponsor, **we ask that you please send your contribution or pledge to the Cancer Institute by Friday, August 3, 2018 to ensure that you are properly acknowledged in the event program materials.**

We thank you in advance for your consideration of this request.

Sincerely,

Theodore Uroskie, M.D.
Chair
Cancer Survivors Day
