

is working with the Northeast Regional Cancer Institute
to help get you the cancer
screenings you need.

Through this partnership we can:

- Help you get needed screenings for breast, cervical, and colon cancer
- Help you find ways to pay for health care if you don't have insurance
- Guide you to health care services for further tests and treatment if needed
- Guide you to local resources and support (childcare, eldercare, transportation)
- Help you get your questions answered

You may be contacted about participating.

For more information, contact your healthcare provider or:

Karen Ryczak - Northeast Regional Cancer Institute
1-800-424-6724 or karen.ryczak@scranton.edu
