

Patient Navigation

Upon completion of your screening through our program, you will be awarded a \$20 Gift Card.

Could you use some help to get the cancer screenings you need?

The Northeast Regional Cancer Institute Patient Navigator is here to help.

The Patient Navigator can:

- Help you get needed screenings for breast, cervical, and colon cancer
- Help you fill out insurance forms
- Help you find ways to pay for health care if you don't have insurance
- Direct you to health care services for further tests and treatment if needed
- Direct you to local resources and support (childcare, eldercare, transportation)
- Help you get your questions answered
- Connect or reconnect you with a general health care provider that you can visit regularly
